

RightNote — music rights prospect list

Scope: prioritized outreach universe for music publishers, labels/distributors, collective-management/copyright institutions, and music-tech/royalty-tech companies. **Total rows:** 123. **Fields:** company, segment, region, website, LinkedIn, outreach reason.

Important: no list can honestly be “100%” of the global market. This is a broad researched first-pass target file for emailing. Entries marked “Needs verification” should be checked manually before a high-value personalized email.

1. Music publishers 38
